Dr. Carlton Robinson

Chief Innovation Officer

Jacksonville Chamber of Commerce

VISIONARY LEADERSHIP

requires courage and confidence. It requires boldness to try new things when others are playing it safe. Today's visionary leader is fearless and hungry to make an impact. We will be honored to hear from Dr. Carlton Robinson who is the Chief Innovation Officer for Jacksonville Chamber of Commerce. Carlton has coached thousands of entrepreneurs and business leaders on their pursuit of success. In 2014, he developed and launched the JAX Bridges entrepreneurial education program that has served over 2,000 business owners in more than seven years of operation. Please join us to be emboldened and challenged towards greater success on your leadership journey.
