Costume Department Opportunities 2017-2018

Many have watched in awe as our costume department has designed and created the costumes for our productions over the years. Now, students can learn for themselves, and create their own unique piece under the guidance of Pam Macbeth. We are thrilled to be offering the following classes in sewing:

These classes are part of the High School Credit Track! For more information, click here!

Sewing Scene - Be a part of AWIPs Costume Crew and Stitch Shop. You will be a part of historical research, design, alterations, embellishment, lay-out and cut-out, machine and hand sewing to create costumes for White Christmas. Beginning level sewing experience required as well as having own machine (preferred). Some Saturdays optional for shopping trips. This class is being offered in conjunction with the "Behind the Scenes" class under the Tech Department. For more information, go to the Tech Department page on our website.

Machine Beginner (Level 1)- Fundamentals of sewing machine basics to familiarize a new seamstress with operation, basic tools needed for sewing as well as pattern language and construction. Student will make a pillowcase and additional take home projects. Must provide basic supplies; machine available for rent.

Thursdays, Jan. 11-Mar. 8 @12:30-2:00 • Ages 10+

Machine Beginner (Level 2) - Intermediate to advanced sewing skills required as well as working knowledge of machine, fundamentals of patterns, terms and sewing language. Project selection and skill approved prior to class beginning. Select the pattern you have always wanted to make and step by step creation will occur during class time. No material fee but pattern selection must be approved prior to class. Machine available for rent.

Thursdays, Jan. 11-Mar. 8 @2:15-3:45 • Ages 10+

Team or Solo Quilting - Teams of parents/child or siblings or friends work side by side to create a basic cotton lap quilt. One machine required. Extensive supply and materials list provided and required for first class. Minimal skill needed by both. Machine available for rent.
